April 2025

Dear Symphony Patron or Subscriber,

I trust most of you were present at our final concert of the season back in February. Bach, Beethoven, and Tchaikovsky truly brought the season to a close with a mighty BOOM! Attendance was up by nearly 200 for this concert, and it was a treat to be joined by Hill Country Youth Orchestra musicians and supplemental brass from Banda. Cailloux Theater is now closed and work ongoing that will make a fine concert hall finer, with completion scheduled for late August.

Meanwhile, without our April concert reception offering the occasion for season ticket sales, we decided we had an opportunity to offer a treat to our faithful audience. At last May 1 has arrived! We welcome you to the Arcadia Theater. First, we are here to say thank you to our listeners with food, drink, and music. Second, we offer a grand preview of our next concert season, our 25th, and finally, we want to give you the opportunity to complete your Patron or Subscriber ticketing process. Yes, we are looking at our silver anniversary, and the concert selections we have chosen will be shared with you during this 25th Anniversary Preview Party.

Please review the material in your packet. Most of it is quite familiar. **If you wish to sign up for the same seats, the process will be as easy as always, whether you pay by check or with credit card.** The amount due for your ticket(s) is indicated on your form. As in the past, our Patrons will be assigned seats first, then Subscribers will be assigned seats after Patrons' orders are fulfilled. We are again expediting the process so that we conclude Patron signup/renewal by June 20 and Subscriber signup/renewal by July 3. This will allow us to send out your season tickets by mid-August. Individual tickets will go on sale in late August.

One note: if the numbers you see are not entirely familiar, remember that we have had two adjustments in the past two years. First, ticket categories were increased for individual sales, and those go into effect this year for Patrons and Subscribers. Second, we will be returning to a five-concert season after a renovation-shortened season of four concerts.

This packet contains information introducing you to the outstanding 2025-2026 season, a map of Cailloux Theater seating, and ticket prices. Patron Levels and benefits are provided to aid you in your decisions.

Thank you so much. Whether you are a valued veteran of the Symphony of the Hills or a newcomer, we are delighted to welcome you.

**PS: A free drink ticket comes with each season ticket for which you sign up tonight.**

President, SOHA Board of Directors
